COVID-19 CONTROL IN BRG GOLF COURSES

Golf is an outdoor game in open spaces so there is little risk of infection, but that doesn't mean golfers are not at risk of virus. Therefore, during this Covid-19 outbreak, BRG Golf implements series of necessarily preventive measures, provides a healthy playground for golf lovers in Vietnam:

- 1. Regularly disinfect and sanitize facilities, golf equipment and tools used at golf courses**
- 2. Prepare hand sanitizer/ antibacterial hand spray/ mask for both customer and course staff**
- 3. Control the disease source by making Medical Declarations and body temperature checking**
- 4. Temporarily stop receiving golfers who came from disease areas**

The prevention responsibility belongs to each individual, to ensure the safety for society, family and ourselves, let's join hands to avoid the Covid-19 risk by conduct the "5K message" (in Vietnamese):

- 1. Facemask**
- 2. Disinfection**
- 3. Distance**
- 4. No gathering**
- 5. Health declaration**
