Not only offering a world-class golf complex including golf course, restaurant, driving range and Proshop, BRG Ruby Tree and Danang Golf Resort are also designed by famous golf course design companies and golf legends as Greg Norman, Jack Nicklaus ... are sure to surprise you with the quality of the grass and challenging holes.

Though the golf course is a beautiful and friendly resort layout, there are 4 sets of tees to accommodate players of all levels. The design of the course has made full use of the many lakes and thus water comes into play on the majority of the holes. There are safe plays away from the water as well as risk/ reward shots for the confident player.

The first 36-hole golf club in Da Nang - BRG Danang Golf Resort is the only convergence of unique designs in the world of 2 golf legends Jack Nicklaus and Greg Norman, making it a must-visit destination for golfers to feel and compare the beauty and personal philosophy of the two designers.
