Do Son Seaside Golf Resort is located in Ngoc Xuyen Ward, Do Son District, Hai Phong city, with the sea along the East side of the golf course the majestic Dragon mountain range on the South West. Golfers and tourists here can all enjoy the benefits from the beautiful landscape of the course, the fresh air brought in by the sea winds, and natural water hazards winding around all 18 holes. These distinctive features can not be found at any other local golf course, and make it the foremost destination in Vietnam.

Designed by Pacific Coast Design- one of the worlds leading golf course designers from Australia, Do Son Seaside Golf Course demonstrates a combination of sports, tourism and recreation styles.
